**A RESOLUTION ENDORSING NOTRE DAME'S DRUNK DRIVING PREVENTION
INITIATIVE**

Whereas, the Student Government and Student Senate recognize the dangers of drunk driving;

Whereas, both organizations recognize that many of Notre Dame's students are susceptible to these dangers living both on and off campus;

Whereas, both institutions recognize that initiating a pledge campaign against drunk driving will increase visibility and awareness regarding this issue;

Whereas, this initiative was brought to the attention of Student Government by many students around campus;

Whereas, Student Senate is made up of student leaders on campus, and therefore accepts the responsibility to engage with difficult conversations;

Resolved, the Student Senate of the University of Notre Dame du Lac endorses Student Government and the University of Notre Dame's drunk driving initiative.
