 1. Questions
 - a) Thomas Davis: Are dues fundraising? How do you check fundraising?
 - b) Maddie Tupy: Yes. They track fundraising for Spring allocation.
 - c) Thomas Davis: Do athletic clubs apply for competition funding?
 - d) Maddie Tupy: If they usually go, yes.
 - e) Claire Sison: One concern I have is that clubs could be padding budgets. What do you do to deal with that?
 - f) Maddie Tupy: When the division representatives meet with clubs, they try to get a sense of the club's mission and purpose. We also

look at past budget sheets the club has submitted. We look at all the numbers clubs are presenting. It's a very meticulous process.

B. Discussion on [SO 2122-19: An Order to Amend the Constitution to Adjust the Methods of Student Union Funds Allocations](#)

1. Benjamin Erhardt: We think it would be appropriate to reconsider Matty's recommendation to have an ad hoc committee. We also believe Meenu should chair the ad hoc committee with 6 members of the CCC and 6 members of FMB.
2. Abraham Figueroa: Would you guys be open to having a senate member on this committee?
3. David Haungs: Madison would be able to nominate members from Com Con.
4. Thomas Davis: Would the chair be a voting member? Perhaps the chair could vote in place of a tie.
5. Benjamin Erhardt: Yes.
6. Paul Stoller: Would this committee make the decision or would it come back to the senate?
7. Benjamin Erhardt: It would be a recommendation from a committee. It would not be binding in any way.
8. Matthew Bisner: Thank you for reconsidering. I will work with Claire and Madison to get this committee together.

1. Debate

- a) Benjamin Erhardt: I am very pleased to see this quick turnaround. Just two weeks earlier, it looked like they were only looking beyond Gateway 9.0.
- b) Faith Woods: We talked about this for weeks in CLC. I think it's incredibly important to acknowledge their hard work.

- d) Daniel Schermerhorn: I want to recognize the Holy Cross students who came here for the Senate and their work.
- e) Allan Njomo: Thank you to everyone who wrote the resolution. It makes a difference. Students now have a place they can call home in a dorm.
