[Individual Counselors](#)

1. Juliette Kelley: One of the issues at UCC is being seen in a timely manner and they need more funding to hire more full-time staff

2. Questioning

a) Benjamin Erhardt: What are some funding barriers?

b) Juliette Kelley: The University has given funding for part-time staff, but that's kind of a bandaid, and they need more full time staff.

c) Madeline Smith: Is there an employment barrier or a monetary barrier?

d) Juliette Kelley: It is a little of both. It can be hard to attract people to a University rather than a private practice. It is a little more of a pay issue, because people are drawn to private practices so they can earn more money.

3. Debate

a) Benjamin Erhardt: In CLC, we are presenting to Fr. Gerry Olinger. In one of the subcommittees, Residual and Continuing Effects of the Pandemic, we will be highlighting the strain on campus mental health resources. Thank you and Austin for making this resolution. I was interested in seeing if you would like to bring this to CLC?

b) Thomas Davis: I suggest an amendment to add bringing the resolution to CLC to consider.

- B. [SO2122-10B: An Order to Amend the Constitution of the Undergraduate Student Body to Revise Articles III, V, IX, & XV](#)
 - 1. Thomas Davis: I would draw your attention to the second page of whereas clauses. We talk about issues that pertain to the entire student body. There are currently two voting members for those who reside off-campus. Proportionally there should be five of us. If you judge the proportion of the largest residence hall, McGlinn, that's how we got these numbers. We would like to elevate the voices of those who live off-campus.
- C. [SS2122-14: A Resolution Calling for Participation in the Energy Star Higher Education Benchmarking Initiative](#)
