A RESOLUTION BESTOWING EMERITUS STATUS ON ALLAN NJOMO

Whereas, Allan Njomo has served faithfully and dutifully the office of the University of Notre Dame Student Body President during the 2021-2022 term, pouring himself and his efforts into the position for the betterment of the Student Union;

Whereas, the Student Body had no better advocate than Allan, as he used his kind spirit, welcoming nature, charming leadership, and admirable work ethic to further the interests of every student, regardless of background, who calls Notre Dame their home;

Whereas, Allan served a successful term in the Student Senate for Stanford Hall, then brought home a Hall of the Year title as dorm president before becoming president of Notre Dame;

Whereas, Allan made impressive and impactful strides during his term, securing victories regarding the observation of Martin Luther King Jr. Day, sponsoring the first inaugural Pride Fest, reinstituting Back the Bend, publicizing Callisto, and many, many more;

Whereas, Allan's term will be remembered as one of great success in terms of his job title, but he will be longer remembered by many more for his fun loving personality and amazing capacity to bring good in the world as a mentor and friend;

Whereas, Allan's role at the University extends far beyond that of Student Body President, and all students, present and future, are in his debt; therefore, be it

***Resolved*, by the Student Senate of the University of Notre Dame du Lac, that the title of Student Body President emeritus be bestowed upon Allan Njomo in recognition and appreciation of his dedication and service to the University of Notre Dame.**
