**A RESOLUTION TO THANK FACILITIES DESIGN & OPERATIONS FOR THEIR
EFFORT IN FIXING LAKE DILLON**

Whereas, the purpose of the Senate per Article III, Section 1(a) of the *Constitution of the Undergraduate Student Body of the University of Notre Dame du Lac* is to “formulate and advance the position of the undergraduate student body on all issues concerning campus life;”

Whereas, several students expressed concern and annoyance with the large puddle that frequently formed between Dillon Hall and South Dining Hall (informally known as Lake Dillon);

Whereas, this uneven walkway has posed a safety & health risk to countless students, especially those with mobility issues who need accessible paths during periods of rain;

Whereas, Senators Hunter Brooke and Derick Williams have spoken with several members tasked with sidewalk maintenance, including Anthony Polotto, Director of Construction and Quality Assurance, and Doug Marsh, Vice President and University Architect;

Whereas, during these discussions, the Office of Facilities Design and Operations and the aforementioned individuals have been extremely receptive and have committed to fixing the uneven walkway between Dillon Hall and South Dining Hall during the Fall Break (October 15-23) period, and have expressed a genuine interest in improving the welfare of the Student Body alongside the Senate; therefore, be it

***Resolved*, that the Student Senate of the University of Notre Dame du Lac shall extend its thanks and gratitude to the Office of Facilities Design and Operations for their eagerness and willingness to aid in the advancement of the position of the undergraduate student body - particularly with reference to the uneven walkway between Dillon Hall and South Dining Hall - and for the dedication to the service of the common good; and be it**

***Further Resolved*, that the Student Senate of the University of Notre Dame du Lac calls on the Office of Facilities Design and Operations to make every effort to ensure the uneven walkway between Dillon Hall and South Dining Hall is solved during Fall Break (Oct. 15-23) and to ensure timely communication upon the completion of renovations.**
