V. General Orders

A. [SO2223-07](#): An Order to Suspend FYCC Elections

1. Questioning
2. Debate
3. Voting
 - a) The order is approved.

B. [SS2223-08](#): A Resolution to Thank Facilities Design & Operations for Their Effort in Fixing Lake Dillon

1. Questioning
 - a) Sofie Stitt: Can we confirm that this can be done during Fall Break?

b) Derick Williams: Anthony Polotto is a very nice guy and wants to get this project done. The reason it was not done previously is due to the contractors being ready to do it at the start of move-in, which is a bad time to have construction on a sidewalk due to the traffic on campus. They've gotten commitment from the contractors that it would be done during Fall Break, and part of the resolution is to ensure that it is actually completed on that timeline so that when the snow and rain come in it does not continue to flood.

2. Debate

a) Madison Nemeth: I suggest that in the first resolve statement that Office be capitalized to match how it is stated in the rest of the document.

b) Hunter Brooke: I changed it.

3. Voting

a) The resolution passes.

B. A Resolution About Passes at Rec Sports

1. Derick Williams (dwilli38@nd.edu)

2. Derick Williams: I am meeting with OSE and UCC about this. I see no reason why we won't see a resolution on an agenda here soon.

3. Connor McCloskey: My boss at RecSports also informed me that they are going to try to get at least 3 minimum classes for free.

C. A Resolution Calling for Hall of the Year Points to Include Sustainability

1. Creed Leathers (cleathe2@nd.edu)
2. Creed: I will be having a meeting with HPC about this soon.

D. A Resolution Calling for Amendments to the Transfer Student Course Requirements

1. Luca Ripani (lripani2@nd.edu)
2. Luca Ripani: I don't have a ton of updates on this yet. I'm a transfer student and it can be difficult to get the required classes needed before we graduate, especially when some of the required classes are only available to First Year students during registration. I would love to get seats reserved in those classes for transfer students.

E. Derick Williams: I have been talking with some of the other Senators about how inflation impacts the food we have on campus, the number of flex points we get, the number of swipes we get, etc.. I would love to work alongside anyone to get a resolution going on this issue.

1. Connect with Griffin McAndrew (gmcandre@nd.edu) if you would like to get involved with this.

F. Hunter Brooke: I work as a student manager at South Dining Hall, so I have a good idea of what is happening in regards to Campus Dining, so I would also be interested in working on a resolution like that.

- G. Madison Nemeth: We had an order today to suspend FYCC elections, and we will probably have more. If you are confused at all, feel free to let me know and I can help explain.
- H. Griffin McAndrew: A few Knott guys have complained about losing NDTV. In exchange we were supposed to get faster internet, and it has not, it may have gotten worse.
- I. Sofie Stitt: I do not know much about this, but we can set up a time to talk about it. I can also connect you with Jeremy Moynihan, the Director of Campus Technology and Innovation.

- B. Trista Brantley: NDVotes' first event is Tuesday at 6:30pm in Jenkins-Nanovic Hall called Pizza, Pop, and Politics where you can listen to someone running for state senate. BP's signature event, Hoops for Hope, is next Saturday. It's a 3v3 basketball tournament to raise money for charity. Father Pete will be there. Please make a team and play!
- C. Madison Nemeth: FYCC elections are tomorrow. Please do not endorse anyone.
- D. Isabelle Grace: Howard's signature event, Totter for Water, is at 6pm tomorrow. I'll be in a duck costume. Be there.

- E. Mia Moran: Notre Dame Figure Skating is hosting a fundraiser called Come Skate with Us. You can just come to skate with friends or ask the figure skaters for some tips and tricks! It'll be on Friday from 6:30–7:20pm in Compton Family Ice Arena. It's \$10 including skate rentals.
 - F. Creed Leathers: Notre Dame doesn't really recycle all of the contents of the blue bins. If anyone in your dorm is particularly upset about this, you can ask your rector to provide you with more of the blue totes that will actually get recycled..
 - G. Nicole Baumann: Notre Dame does recycle only if you put the material in the blue totes. If you really want your stuff recycled, you will have to go to one of those.
 - H. Lydia Wordlaw: LHOP (Lewis House of Pancakes) is on Friday from 9pm–1am.
 - I. John Soza: There will be steak sandwiches at the Knights of Columbus building on Saturday.
