Senator Bradley Letter Welcoming Him to Notre Dame

Dear Senator Bradley:

On behalf of the Notre Dame Student Body, we would like to welcome you to the Notre Dame community this semester.

We realize that true education can only occur when one is exposed to a variety of opinions and ideas and appreciate the experience that you bring to campus.

All of us at Notre Dame look forward to learning both from and with you this semester and hope that your experience under the Golden Dome is an enjoyable and productive one.

Sincerely,

The Notre Dame Student Union Senate
