

Multicultural Center Resolution

Drafted 27 September 1998

WHEREAS the University of Notre Dame has been constantly rated as one of the worst institutions of higher education for racial harmony,

WHEREAS the Office of Multicultural Student Affairs at Notre Dame plays a vital role in strengthening race relations on campus,

WHEREAS the Office of Multicultural Student Affairs does not have the sufficient space to operate a center which is conducive to the recruitment, retention, representation, and development of all communities of color at the university,

THEREFORE, let it be resolved that the Student Senate supports the proposal of the Office of Multicultural Student Affairs asking for the establishment of a Multicultural Center.
