

Resolution on Social Space on Campus

Drafted on 06 October 1998

WHEREAS, there is an insufficient amount of social space on campus;

WHEREAS, the University has recognized this need in the Colloquy for the Year 2000;

WHEREAS, student input is an important part of the process to create more social space because student concerns can most accurately be discerned from the students themselves;

THEREFORE, BE IT RESOLVED, that the Student Senate encourages the Office of Student Affairs to continue its efforts to create more social space on campus and;

THEREFORE, BE IT FURTHER RESOVLED, that the Student Senate encourages the Office of Student Affairs to involve students in the process to create more social space.

Submitted by the Student Senate Residence Life Committee
