

A Resolution Requesting Bulletin Boards in DeBartolo Hall

WHEREAS, there are no public bulletin boards in DeBartolo Hall and the College of Business Administration Building (COBA) for posting fliers related to campus events and student interests; and,

WHEREAS, these two buildings are heavily frequented by Notre Dame undergraduates; and,

WHEREAS, the majority of public bulletin boards are located in residence halls; and,

WHEREAS, many students who reside off-campus are less likely to be in these residence halls, and, as such, do not see postings for campus events; and,

WHEREAS, these factors hurt both students and groups staging campus events; and,

THEREFORE, BE IT RESOLVED that the Student Senate requests that public bulletin boards be placed in DeBartolo Hall and COBA to give undergraduate students a better opportunity to learn about campus events; and,

THEREFORE, BE IT FURTHER RESOLVED that the Student Senate is willing to work with the DeBartolo Hall and COBA staff to find suitable locations for these bulletin boards and whatever else they may need to see that this occurs in a timely fashion.
