

Resolution SS1516-21

March 30, 2016

WILSON BARRETT, SENATOR OF KEENAN HALL
KATHLEEN ROCKS, SENATOR OF CAVANAUGH HALL

**A RESOLUTION REQUESTING THE PUBLICATION OF A QUARTERLY REPORT
DETAILING INSTANCES OF SEXUAL VIOLENCE ON CAMPUS**

Whereas, members of the Notre Dame community have a responsibility for the safety and well-being of all students;

Whereas, the Student Body is only notified of acts of sexual violence reported less than forty-eight hours from when they occurred, as mandated by the Clery Act;

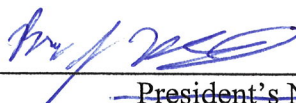

Whereas, the Student Body as a whole is unaware of the true amount of acts of sexual violence that occur;

Whereas, members of the Student Body would be well served by fuller communication regarding safety in their home community;

Whereas, an increased awareness of the frequency and magnitude of sexual violence on campus would inform greater conversation regarding sexual violence and expedite a necessary campus culture change; and

Whereas, the Executive Cabinet is comprised of elected and appointed leaders of the Student Body and is particularly responsible for promoting transparency and greater awareness of sexual violence on campus; therefore, be it,

Resolved, that the Student Senate requests that the Executive Cabinet of the Student Union compiles and distributes a report of instances of sexual violence reported in the Notre Dame Security Police's Clery Report Daily Logs to the Student Body, at least four times a year.
