**RESOLUTION IN SUPPORT OF RESIDENCE HALL TECHNOLOGY REPORT**

**WHEREAS** the Committee on Residence Life of the Student Senate has assessed the status of new technologies installed in campus residence halls the previous calendar year; and

**WHEREAS** the Committee has published a report, *Residence Hall Technology Report: Recommendations for Service and Upgrade*, that describes specific deficiencies and offers recommendations to improve three specific new technologies across campus; and

**WHEREAS** the Residential Master Plan is an evolving document that is modified as needs arise, and the current Plan alludes to many of the suggestions made in the report; and

**WHEREAS** adequate technology in residence halls is essential to the academic, extracurricular, and other success of students; and

**THEREFORE BE IT RESOLVED** that the Student Senate affirm and support the *Residence Hall Technology Report* produced by the Committee on Residence Life of the Student Senate; and

**THEREFORE BE IT FURTHER RESOLVED** that the Student Senate strongly advocates the implementation of adequate solutions, recommended or otherwise, to current technological deficiencies as soon as possible.
