

Presented by Stanford Senator Oscar Garcia
Student Senate
University of Notre Dame
Resolution SS-0607-28

Resolution in Celebration of the 50th Anniversary of Stanford Hall

WHEREAS the residence hall known as Stanford Hall was erected in 1957 as a male residence hall, and has served its purpose nobly, and

WHEREAS the hall has continuously contributed to vitality and energy of the student body over the past 50 years; and

WHEREAS the hall has provided a homely residence, despite its cinderblock nature and unfortunate proximity to Keenan Hall; and

WHEREAS the residents of the hall form a deep connection to the residence and are proud to be called Stanford Men; and

WHEREAS through the Stanford Benefit Bash, Stanford Hall has raised over \$30,000 for the Holy Cross Chilean Orphanages, and has become a model for other residence halls as one of the largest donators to charity; and

RECOGNIZING that this resolution can only be presented in the short time span of one (1) year;

THEREFORE BE IT RESOLVED that the Student Senate bestow upon Stanford Hall its blessings for its 50th anniversary, along with many well wishes for the success of the hall and its residents in the future.
