

Student Senate Resolution: SS0506-26

Endorsement of the Recommendations by the *ad hoc* Committee for Better Informing the Course Selection Process

Recognizing the need for and the value of an accurate, fair, and comprehensive resource that would help inform students at the time of course selection,

Further recognizing the collaborative efforts toward achieving these aims by the student, faculty, and administrative representatives from the Committee for Better Informing the Course Selection Process,

Further recognizing the March 2006 proposal developed by the Committee, entitled "How can we better inform students at the time of course selection,"

Acknowledging the responsibility for all members of the Notre Dame community to provide and/or use information about course offerings faithfully and in accordance with University academic policy,

Be it resolved that the Student Senate endorses the recommendations expressed in the Committee's proposal,

Be it further resolved that the Student Senate commits to doing its best to ensure that students provide and use information about course offerings in a faithful and responsible manner,

Be it further resolved that the Student Senate supports the continued endeavors of the Committee in sharing its proposal with the Notre Dame community in the effort to further develop and implement its recommendations.
