Dear Fr. Poorman:

During past years, the Offices of Student Affairs and Student Government have enjoyed a strong relationship. We have been able to do so because our goal is the same, to improve campus life and character development for all students at the University of Notre Dame. We hope that you will agree, this noble goal can best be achieved through our cooperation.

Direct, open, and constant communication is essential to the relations of administrators and students. Frustration can arise on either side predominantly as a result of miscommunication and misrepresentation. We write to commit ourselves to a continuing relationship of respect and interaction.

Seeing as that a new school year presents an opportunity to renew and share our ambitious campaigns to see good come from the Notre Dame family, we would like to invite you as well as any members of your senior staff to attend a Student Senate meeting on Wednesday, August 31, 2005 at 6:00 pm. At this meeting, we would hope that you could present a report on the State of Student Affairs, informing us of your plans and goals for the 2005-06 academic year.

We would like also invite you and your staff to a reception in the Student Government Office, following the Senate meeting. You often invite us throughout the year to several venues for which we are grateful, and we would like to return the favor to see where we work.

Sincerely,

Student Senate
