

Proposed Amendment to the Student Union Constitution
Re: Board of Trustees Representation

ARTICLE VI: SENATE

Section III: Powers and Duties

Current:

11. The Senate shall approve the agenda and content of the undergraduate student presentations for the Board of Trustees Student Affairs Committee meetings at least two months prior to the Winter and Spring presentation. Three possible suggestions for the fall presentation must be approved by the newly elected Senate by the end of April. These topics are subject to change with Senate consent.

Proposed:

11. For all meetings of the Board of Trustees Student Affairs Committee, at which the agenda of the undergraduate student presentation is determined by the Student Body President and Vice President, the Senate shall approve the agenda and content of the presentation at least six weeks prior to the presentations. These topics are subject to change with Senate consent.
