

**Resolution in favor of a Student Discount at the Bookstore**

**Whereas** the Notre Dame faculty and staff currently receive a 20% discount at the bookstore, excluding class textbooks for which they receive a 10% discount,

**Whereas** the student body currently only receives a discount one day out of the year,

**Whereas** the bookstore is the main venue at which students may purchase textbooks and Notre Dame apparel and gifts,

**Whereas** many institutions such as, museums, restaurants, movie theaters, and forms of transportation recognize a student discount,

**Whereas** a discount at the bookstore will encourage students who normally purchase textbooks and apparel from other venues to purchase them at the bookstore,

**Therefore be it resolved** that the Hammes Notre Dame Bookstore give students the same discount that is given to faculty and staff.
