

Student Union Senate Resolution SS0405-16

Whereas The last home game of the year is traditionally an important milestone for the senior class,

Whereas In past years, seniors have not been allowed to remain in the stadium and reflect upon their time at Notre Dame,

Whereas This year the stadium employees demonstrated great consideration of the senior class after the game,

Whereas The seniors were allowed to remain in the stadium for several minutes after the Alma Mater,

Therefore be it resolved That the Student Senate, on behalf of the student body, recognize this consideration and thank the ushers for their understanding,

Be it further resolved That the Student Senate express its support for the continuation of this tradition in coming years.
