Proposed Amendment to the Student Union Constitution
Re: Formation of the Council of Representatives

WHEREAS it is the common goal of all Student Union leaders to focus on making more efficient, effective and fair decisions on behalf of the student body,

GIVEN that last May's Board of Trustees report as well as several student publications illustrated the inefficiencies of Student Government,

RECOGNIZING that the Executive Cabinet has the broadest representation of Student Union leaders,

THEREFORE BE IT RESOLVED that four senators and the Vice President of the Student Body be added with voting membership to the existing Executive Cabinet through a majority vote of senators and approval by the Student Body President.

THEREFORE BE IT FURTHER RESOLVED that this changed Executive Cabinet be called "The Council of Representatives" to reflect the wide representation and efficient collaboration of student organizational leaders.

THEREFORE BE IT FURTHER RESOLVED that the responsibility of amending the constitution as outlined in Article 1, Section 4 of the Student Union Constitution be transferred to this Council of Representatives and present all constitutional amendments to the Student Union Senate. *prior to its final approval S.B President*
