Resolution Amending the 2003-2004 Budget

Whereas, Clubs and Organizations already receive a fixed allocation of \$266,258;

Whereas, this alone constitutes 37% of the available funds from Activities Fees and "The Shirt" money;

Whereas, class councils, according to the FMB Budget Allocation packet, have been "traditionally under-funded";

Whereas, money allocated to Hall President's Council has a more immediate impact on student life by giving money to dorms for hall improvements;

THEREFORE BE IT RESOLVED that the additional \$20,000 allocated to "Clubs and Organizations" be stricken from the budget;

BE IT FURTHER RESOLVED that this \$20,000 be reallocated with \$10,000 going to Hall President's Council and the remaining \$10,000 being split evenly amongst the Class Councils of 2004, 2005, and 2006.
