

PASSED UNANIMOUSLY

SS0203-07

**Resolution Supporting the Creation of a Bike Deposit Program**

RECOGNIZING that a demand for bikes exists amongst students;

COGNIZANT that the cost (including price, summer storage, winter storage, maintenance, cost of a lock) may be prohibitively high for some students who could benefit from the use of a bike;

REALIZING that Notre Dame Security Police (NDSP) is willing to make available refurbished bikes collected through abandonment and loss;

THEREFORE, BE IT RESOLVED, that the Student Senate supports NDSP, the class of 2005, and the Residence Life Committee's establishment of a Bike Deposit Program, as a way to provide students access to low-cost bikes,

BE IT FURTHER RESOLVED, that the Student Senate encourages the institution of a one and a half year trial-period for a Bike Deposit Program.

Submitted by the Residence Life Committee
