

Resolution Regarding Presidential Pass in Review

WHEREAS many of our fellow students are in Army, Navy and Air Force ROTC;

RECOGNIZING that the Presidential Pass In Review (PPIR) is an effective means to recognize these students' sacrifices, accomplishments, and dedication;

WHEREAS previous PPIRs, which used to be held on South Quad by the U.S. flag, provided a more public and aesthetically pleasing environment than in Loftus where the PPIR is currently held;

WHEREAS holding the PPIR in Loftus harms the efforts of groups like Pax Christi to hold peaceful, non-disruptive protests to voice legitimate grievances;

WHEREAS holding the PPIR on South Quad would allow for more of the Student Body to witness this special ceremony;

THEREFORE BE IT RESOLVED that the Student Union Senate supports efforts to move the PPIR from its current location in Loftus to its ~~rightful~~ ^{traditional} place outside on South Quad.
