

Resolution Regarding Increased Lighting and Call Boxes

Drafted on 24 November 2001

WHEREAS students' safety is of paramount importance to the University.

WHEREAS University Safety states in *du Lac* its mission: "We support the University in its mission by providing exceptional services that promote a safe and well ordered environment for our community."

WHEREAS exercising around St. Joseph's Lake and St. Mary's Lake is a common activity for students, faculty, visitors, etc.

WHEREAS students living off campus walk after dark by the tennis courts in order to reach Turtle Creek Apartments.

WHEREAS students walk after dark along the path between Notre Dame and Saint Mary's.

WHEREAS more sexual assault occurs in areas that are not well lit.

WHEREAS students have expressed a need for increased safety measures in these two specific areas.

THEREFORE BE IT RESOLVED that University Security add additional lighting and call boxes around both lakes, the walk from Turtle Creek Apartments to Notre Dame, and the path between Notre Dame and St. Mary's.
