

Resolution Regarding the CCC Ethnic Division Name Change

WHEREAS, in its current status, the CCC Ethnic division title stated in Article 3 Section VII of the Student Union Constitution is no longer an adequate or accurate representation of the clubs within the division.

WHEREAS, the word “ethnic” possesses a negative connotation inferring an exclusive club environment.

WHEREAS, the objective of the clubs within the division is to celebrate and share their cultures with the Notre Dame community, as well as to create an inclusive environment where everyone feels welcomed and appreciated.

THEREFORE BE IT RESOLVED, that ~~in the 2002-2003 school year,~~ the name of the CCC division shall be Cultural Division.
