**A RESOLUTION SUPPORTING THE RELEASE OF AGGREGATE DATA
REGARDING SEXUAL ASSAULT REPORTS**

Whereas, the University of Notre Dame, in its mission, claims its dedication to, “the pursuit and sharing of truth for its own sake.”

Whereas, members of the student body have a right to know the gravity of this issue on campus.

Whereas, the University of Notre Dame, in its mission, states, “the University seeks to cultivate in its students not only an appreciation for the great achievements of human beings but also a disciplined sensibility to the poverty, injustice and oppression that burden the lives of so many. The aim is to create a sense of human solidarity and concern for the common good that will bear fruit as learning becomes service to justice.”

Whereas, we believe that information will encourage the student body to come together to make campus safer by participating in movements such as the greeNDot bystander training.

Resolved, the University of Notre Dame Student Senate will fully support the administration’s release of aggregate data once per semester of all sexual assault reports, starting Fall 2017.
