DEPARTMENT OF RESIDENCE LIFE
PARKER DWYER, DIRECTOR**A RESOLUTION RECOMMENDING THE INSTALLATION OF EXCELLATOR
HAND DRYERS IN THE RESIDENCE HALLS**

Whereas, There are Notre Dame students that do not wash or dry their hands due to the slow drying machines in the residence halls;

Whereas, Having these new drying machines will continue the University's Green Initiative by replacing paper towels in the bathrooms; and

Whereas, These machines will increase the number of students who will take the time to wash and dry their hands resulting in a healthier environment for all; now, therefore, be it

Resolved, The University of Notre Dame Student Body requests that the University of Notre Dame's Office of Housing consider installing the Excellator hand drying machines in the residence halls on campus
