Resolution to Remove Matthew Lodwich from the Office of Dillon Hall Senator and Simultaneously Appoint Director of Communications Alex French to the newly established Office of Acting Dillon Hall Senator

- Recognizing...** the resignation of Tyler Langdon in the Spring Semester of 2007 to pursue an opportunity to study abroad
- Being vaguely aware...** Matthew Lodwich was rightly selected to fill the vacancy Tyler Langdon left when he exited the United States.
- Noting...** Matthew Lodwich's pathetic attendance record.
- Taking into consideration...** Alex French has been inside Dillon Hall "several times" and has a number of friends who live and/or once resided in Dillon Hall
- Being cognizant that...** Alex French has served admirably and with distinction as Director of Communications in the Lizzi Shappel Administration
- Taking to heart...** Alex French's deep desire to sit at the big table again
- Therefore, BE IT ~~RESOLVED~~ ORDERED...** that Matthew Lodwich of Dillon Hall is hereby removed from the Student Senate.
- Be it ~~SIMULTANEOUSLY RESOLVED~~ ORDERED...** that Alex French assume the duties of Acting Dillon Hall Senator for the remainder of the 2006-2007 Senate term.

(apologies for the haphazard spacing; the emergency nature of this did not leave time for aesthetics)

That means
this can't
come forward
