

Resolution in Support of a Discussion of an Expanded Student Center

Recognizing, students appreciate and frequent the current LaFortune Student Center;

Further recognizing, the LaFortune Student Center could be expanded to meet the constantly growing student demands for space and services;

Noting, the University has plans to look into a new or expanded student center;

Therefore be it resolved, the Student Senate submit the following report, outlining student opinions and suggestions for a new or expanded student center, to the appropriate offices and departments.
