### **A RESOLUTION TO INCREASE THE STUDENT ACTIVITY FEE**

*Whereas*, Article XVI, Section 2(a) of the *Constitution of the Undergraduate Student Body of the University of Notre Dame du Lac* prescribes that “Mandatory student activity fees, as fixed by the University and the Student Senate, shall be collected by the Notre Dame Accounting department and held in a University account.”;

*Whereas*, Article XVI, Section 2(b) of the *Constitution of the Undergraduate Student Body of the University of Notre Dame du Lac* prescribes that “The student activity fee shall be a separately itemized fee on each student’s bill for both the fall and spring semesters.”;

*Whereas*, the current standing of the activities fee contains a yearly payment of \$95.00, breaking down to a charge of \$47.50 per semester;

*Whereas*, there has been confusion among parents and students regarding the uneven numerical nature of the per-semester fee, reflecting poorly on the Student Union, Student Senate, and Notre Dame Accounting Department;

*Whereas*, according to public records, the Notre Dame Student Activities Fee has not been raised or lowered since prior to 2012;

*Whereas*, every year, per FMB records, the requests for funds during allocation from branches of the Student Union far exceed the amount of funds available;

*Whereas*, the proportional increases in tuition and cost of attendance at Notre Dame due to inflation far outpace any increase in the Student Activities Fee, be it,

***Resolved, by the Student Senate of the University of Notre Dame du Lac, that beginning in the 2024-2025 school year, the Student Activities Fee be raised by one dollar, reflecting an annual charge of \$96.00.***
