 3. greeNDot Training Reminder - January 1st Deadline
 - a) Aidan Rezner: For the ones who aren't trained, there is a deadline, so keep it on your radar. Do it before winter break.
- V. General Orders
 - A. Sam Godinez: What is the difference between a regular resolution and a petitioned resolution?

B. Aidan Rezner: These are very similar, the only difference is if it was petitioned. It is marked with either a P or SS. They are similar. It means there is a petition involved. Sam went out and got 200 signatures from dorm residents and people on campus to get this to be heard at Senate.

C. [P2324-01: A Petitioned Resolution to Return Quesadillas to the Dining Halls During Lunch Hours](#)

4. Sam Godinez: I have you listed as Lindy here, but we need full names. Can I change it quickly?
5. Hunter Brooke: No, you would need a friendly amendment.
6. Questioning
 - a) Andrew Ryan: Can you explain something? You talk about how the Associate Director for the dining hall have already ordered the necessary equipment. It seems like they are already doing it, so what is the point of this?
 - b) Sam Godinez: The day before I announced that I would be writing this resolution, I emailed Mr. Macerada about introducing quesadillas during lunch hours. I emailed him again on Friday, September the 8th, stating what the process is. He said they already

ordered the equipment and everything was ready to go because he heard the outcry from students about no quesadillas. I emailed him two days ago and he said they were ready to install it. Keep in mind, they will probably install it first in North.

- c) Libby Meister: Will it be like last time with someone manning it?
- d) Sam Godinez: I'm not entirely certain. The only thing I got was that they will introduce it during lunch hours. I would assume it would be like the same time around.
- e) Thomas Kluck: Do you know what it would replace?
- f) Sam Godinez: Nothing.
- g) Thomas Kluck: Where would it go?
- h) Sam Godinez: It would likely go in the same place.
- i) Thomas Kluck: Aren't burgers there?
- j) Sam Godinez: Because the quesadillas are served during late lunch, it is possible to serve both burgers and quesadillas. It is possible.
