    3. [Walk the Walk Week Service Project Donation Drive](#)
      - a) Aidan Rezner: Walk the Walk Wweek is a huge co-sponsorship with the Office of the President that is centered around MLK Day. We will be creating "Dignity Kits" with winter clothing and hygienic products for the needy of the South Bend community. We are collecting donations on a donation drive. If you click the link, you will see that it is super easy. We have a goal of \$12,000 to make enough kits to supply the community. We are asking for donations in "kits" allocated by form. On the website, you can see there is a leader board. Each dorm has been assigned a certain

number of kits based on the population size; the numbers are extremely attainable. We did not do ridiculous goals. We are hoping to get to \$12,000. This is a really good cause. Please bring it up at your hall councils because it really benefits the community around us. The drive is stopping next Thursday, so we have a week to get all of those in to fully fund the project. I appreciate it in advance.

VII. Announcements

- A. Lily Condodina: SUB has a lot of events. Acoutsicafe this week. It is the last one of the semester. Show up and have hot cocoa. We are having a Paint a Present event tomorrow from 5-7 where Pigeon and the Hen Potttery will be bringing in pottery ornaments to paint. The paint will be quick-dry, so you can just take them home. Friday will be “Swinter” outside of Debart, pending the weather. There will be summer activities on the first day of December to bring warmth.

- B. Aleah: There are two A Capella shows this week. Tonight at 8, Echoes is performing. On Friday, Harmonia is having a concert at 7pm. Come to Harmonia because I'm in it, but also come to both!
  - C. Rose: This is for juniors only. JPW tickets came out last week. Reminder to get yours. Get your parents a ticket but also yourself one too. If you have questions, email the JPW email account, not the Class of 2025 email.
  - D. Ava DeCroix: The yearbook club is still looking for photos for clubs you are in. I will send the form out. They are mostly looking for group photos. Pictures would be very helpful and they would appreciate it.
  - E. Louis Cornett: Do we have a meeting next week?
  - F. Aidan Rezner: Yes, it will be the last one of the semester.
- VIII. Adjournment
- A. The meeting is adjourned.
