    1. Ice Skate Night: Thursday, January 25th from 2-4 pm @ Compton Family Ice Arena (Insomnia Cookies provided!)
      - a) Aidan Rezner: Free ice skating with Insomnia Cookies and hot cocoa. Bring your friends. Another special thing not included, but wanted you to hear. Fr Jenkins, who we sent a resolution to recognize him, sent Student Government a letter of appreciation. I am going to give Daniel an opportunity to read his short letter. That was awesome. Really great work of everyone who was a part of it and signed it.
- V. General Orders
  - A. [SL2324-01: A Letter to the Office of the Registrar](#)
    1. Questioning

- a) Aidan Rezner: To give a summary, this letter is giving a Senate “stamp” to the Office of the Registrar. It puts the backing of the student Senate behind the letter. It is asking the Office of the Registrar to provide the number of students with classes before 10am.
- b) Andrew Ryan: Did you try to reach out to them yet or is this the first time you are contacting them?
- c) Sam Godinez: I have not reached out to them yet. I figure if just one person was asking, then they would be like “What are you doing? Why do you want this info?” This specific process makes it more official and makes it make more sense of why they would give us that information.
- d) Ryan Murray: It’s not very clear to me in this. You say a class before 10am. That can be interpreted very literally. If someone has Moreau at 9 am on a Monday and all the rest are after 10 am, that does not make sense. Do you have a way to just ask for a little more detail? Maybe we could ask depending on how many days they have before 10 am.
- e) Sam Godinez: I don’t have it in the letter. If that is something you want to consider, there is always the possibility to amend the letter to say two classes per week.
- f) Aidan Rezner: Is that something you would like to do?
- g) Ryan Murray: I don’t care.

- h) Aidan Rezner: If we are looking at the possibility of specifying the days, we could do that.
  - i) Sam Godinez: If you want me to make the motion, I'll make the motion.
  - j) Aidan Rezner: All of the co-sponsors would have to approve that. Are all of the cosponsors ok with making that amendment?
  - k) Aubrey DiStefano: This is undergrad students? Are you asking just the students who don't have a meal plan?
  - l) Sam Godinez: Mostly just in general. I'm under the assumption that most students on campus are the ones who will benefit.
2. Sam Godinez motions to amend the first paragraph of the amendment to “twice a week” and the fourth paragraph to “twice a week”.
- a) The friendly amendment passes.
3. Debate
- a) Aleah Applin: I don't understand the point of the amendment. Even if someone has one class on Monday, maybe they could benefit from Grab and Go. I don't think the circumstance of having one class should limit it.
4. Vote
- a) The letter passes.

B. [SO2324-14: An Order to Amend Article XVI of the Constitution](#)

- 1. Paul Stoller motions to move SO2324-14 from New Business to General Orders.

Thank you for writing that, Hannah.

- D. Sam Godinez motions to move SO2324-13 from New Business to General Orders.

1. Motion is denied.

- E. Aidan Rezner: Item SO2324-11 will be sent to Com Conn and will be brought back up in Senate for review. As for the other items, you can make a motion to move it up or not.

- F. Hunter Brooke: If someone wanted to move up agenda item C (SO2324-23), I would look very favorably to that.
