

STUDENT UNION TREASURER'S OFFICE
UNIVERSITY OF NOTRE DAME
314D LAFORTUNE STUDENT CENTER
NOTRE DAME, INDIANA 46556-0399

13 February 2023

Dear Senate,

As stated in the Undergraduate Constitution of the University of Notre Dame, the Outgoing Student Union Treasurer shall nominate one of the Assistant Student Union Treasurers to the Student Senate as the Student Union Treasurer for the next term, starting March 1 2023. At this time, I am pleased to extend my full nomination to Hannah Blaskiewicz for this position.

Hannah is a sophomore majoring in accounting and history. She is an active member of the Notre Dame community by doing her best to be politically informed at the school and serving as an amazing Assistant Student Union Treasurer; the Notre Dame community needs someone with her passion for the job and thus her involvement makes her a great candidate for this position.

Over the past year, Hannah has vastly contributed to the Treasurer's Office and to the FMB. She has been a crucial contributor to discussions by the Office of the Student Union Treasurer, shared valuable insights when evaluating The Shirt Charity Fund applications, and has had the experience of attending the annual Spring Allocation and Winter Spending Review meeting. Hannah is not only qualified to handle the financial and administrative duties of the position, but also brings the empathy and compassion required to administer reviews of various applications. I have been beyond impressed with her commitment to her current position as well as the insights she provides.

I recommend this student without reservation because of her passion to become more involved in the Notre Dame community and to assist the Office of the Student Union Treasurer in becoming more efficient. I am requesting that the Senate approve her nomination as a result of her extensive qualifications; and her level of commitment to effectively contributing to the experiences of Notre Dame students. Thank you for your time and consideration.

Respectfully Submitted,

Claire Evelyn Sison
Student Union Treasurer, 2022-2023
Chairwoman, Financial Management Board
