A RESOLUTION TO UPDATE HOLY CROSS DRIVE ON GOOGLE

Whereas, Article III, Section 1(a) of the *Constitution of the Undergraduate Student Body of the University of Notre Dame du Lac* states that the Senate's purpose is to "formulate and advance the position of the undergraduate student body on all issues concerning campus life;"

Whereas, during the 2024 summer, Holy Cross Drive, which leads to the West Quad dorms, was moved over to accommodate the construction taking place where Fisher and Pangborn previously resided;

Whereas, South Dining Hall Drive is just off of Holy Cross Drive, which is the road that allows access to West Quad dorms such as Duncan, McGlinn, O'Neill, and Keough;

Whereas, this shift in the road has not been updated in any GPS services, which makes it difficult for delivery drivers and car services to find West Quad dorms;

Whereas, after the completion of Graham Family Hall, students faced a similar problem which the university was able to solve by contacting Google and getting online map systems updated to reflect the roads currently in use;

Whereas, Anthony Polotto, the Director of Construction and Quality Assurance in the Office of Facilities Design and Operations, has expressed willingness to look into updating online map systems to reflect this shift in Holy Cross Drive;

Whereas, while in communications with members of the Student Senate, Anthony Polotto stated that the Office of Facilities Design and Operations did not realize that this shift was not updated in the online maps system and was a major inconvenience for students; therefore be it

***Resolved,* that the Student Senate of the University of Notre Dame du Lac calls on the University Representative to contact Google to report the shift in Holy Cross Drive and South Dining Hall Drive to reflect the current location of the road in a timely manner.**

It is so ordered.
