Student Government
UNIVERSITY of NOTRE DAME

To the Student Senate of the University of Notre Dame du Lac,

We respectfully request your consideration in confirming **Kevin White** to serve as the **Executive Controller** in the Executive Cabinet for the upcoming 2025-2026 term.

Kevin is a current Sophomore studying Finance with minors in History, Real Estate, and the Sheedy Family Program. He currently lives in Duncan Hall, but is originally from Plymouth Meeting, Pennsylvania. This past term, Kevin served as the Executive Controller, in which he oversaw the budgets of each Executive Cabinet Department and worked closely with the Financial Management Board. His work as the Executive Controller brought about many successful sponsorships and budgeting efficiencies that enabled the Student Government to expand its programming capacity. Over his past two years within the Student Government, he has gained invaluable knowledge into the Student Union's fiscal policy and financial procedures, facilitating his notable success as the Executive Controller. Outside of the Student Government, Kevin has been selected onto four SIBC travel teams, curated stock pitches for the Notre Dame Investment Club, and partaken in site tours for the Real Estate Club of Notre Dame. He also visits Riley High School in South Bend to teach financial literacy to underprivileged students through MoneyThinkND, and was involved in planning and promoting the 2024 and 2025 Notre Dame Women's Investing Summit (WIS). Kevin's favorite Notre Dame memory is running in the ND110 Memorial Stair Climb with his twin brother!

As the Executive Controller, Kevin will faithfully execute the duties of his office, which include but are not limited to:

- Meeting with all Department Directors to create the Notre Dame Student Government Budget. ● Monitor and approve director expenses throughout the year.
- Attend weekly meetings with the Financial Management Board (FMB).

Kevin is beyond capable and possesses the skills necessary to succeed as Executive Controller. Given his experience in FUEL and as the executive controller, Kevin understands how Student Government is structured and, more specifically, the Executive Cabinet's relationship with FMB. He also has prior experience in implementing financial goals and budgeting, which are invaluable in this position. Beyond this, Kevin has demonstrated a passion for Student Government and service to others, which gives us confidence that he will ensure financial success for the upcoming term.

Thank you for your time and consideration.

Respectfully submitted,

Gerald W. Vielhauer
