

IRISH GARDENS

University of Notre Dame

April 15, 2025

Members of the Student Senate,

It is with great pleasure that I would like to nominate Theresa Brennan for the position of Student Business Manager of Irish Gardens Flower Shop for the 2025-2026 school year.

According to Article X, Section 5(d)(1)(A) of the Constitution of the Undergraduate Student Body, “The current Student Business Managers and the Assistant to the Student Union Treasurer shall each nominate a new Student Business Manager”. Per Section 5(d)(3) and 5(d)(4) of the constitution, the Student Business Manager “shall manage the daily operations and establish the policies of their respective businesses” and “make daily decisions concerning staffing, inventory, and promotion within their respective businesses.”

Tess is a third-year Psychology major with minors in Science, Technology, and Values and Irish Studies. Originally from Chicago, Illinois, she currently resides in Pasquerilla East Hall. Tess has served as both a Digital Forensic Examiner and a Psychology Research Assistant at Notre Dame and acted as the Irish Gardens Social Manager during the Fall 2024 semester. These roles have equipped her with the analytical, organizational, and leadership skills that make her well-prepared to take on the responsibilities of Student Business Manager.

Tess has shown her passion and dedication to Irish Gardens for the past two years, and I am absolutely confident that she will continue the success and legacy of our shop.

I fully endorse Theresa Brennan for the position of Student Business Manager of Irish Gardens.

Respectfully,

Corinne Bradley
Irish Gardens Student Business Manager
