

To the Student Senate of the University of Notre Dame du Lac,

We respectfully request your consideration in confirming **Kevin White** to serve as the **Executive Controller** in the Executive Cabinet for the 2026-2027 term.

Kevin is a junior studying Finance with minors in History, Real Estate, and the Sheedy Family Program. He currently lives in Duncan Hall, but is originally from Plymouth Meeting, Pennsylvania. Kevin has served as the Executive Controller for the last two terms, in which he oversaw the budgets of each Executive Cabinet Department and worked closely with the Financial Management Board. He also served as a member of FUEL in his first year on campus.

His work as the Executive Controller brought about many successful sponsorships and budgeting efficiencies that enabled the last two administrations to pursue their policy and programming goals. He was also a key figure in hiring and onboarding Claire Shely as the Student Union's Administrative Assistant, who works closely with the Executive Cabinet and Class Councils. Over his past three years within the Student Union, he has gained invaluable knowledge of the Student Union's fiscal policy and financial procedures, facilitating his notable success as the Executive Controller. Outside of the Student Union, Kevin has been selected to 4 SIBC projects, and is a member of the ND Investment Club.

As the Executive Controller, Kevin will faithfully execute the duties of his office, which include but are not limited to:

- Meeting with all Department Directors to create the budget for the Office of the Student Body President.
- Monitor and approve director expenses throughout the year.
- Attend weekly meetings with the Financial Management Board (FMB).

Kevin is beyond capable and possesses the skills necessary to succeed in this role, which is why Riley and I fully endorse Kevin White for the position of Executive Controller for the 2026-2027 term.

Respectfully submitted,

Elijah Jones
Student Body President

Riley Evers
Student Body Vice President
