Dear Senate,

In accordance with the Undergraduate Constitution of the University of Notre Dame, the Student Union Treasurer is responsible for nominating a president for The Shirt Project. I am pleased to submit the nomination of Luke Gallagher for the position of President of The Shirt.

Luke Gallagher has been an outstanding member of The Shirt Committee for the past three years, serving as Videographer and preparing to enter his fourth year on the committee. Throughout his time, Luke has demonstrated a strong commitment to the mission of The Shirt Project, using his role to thoughtfully capture and share the story behind the tradition. His creativity, attention to detail, and dedication have consistently elevated the committee's work and presence. He is highly organized, dependable, and always willing to step in wherever needed to support the team. Luke's passion for The Shirt Project is evident not only in the quality of his work but also in the way he engages with and supports his fellow committee members.

In addition to his technical contributions, Luke fosters a collaborative and positive environment within the committee. He listens attentively, values others' perspectives, and helps create a space where everyone feels motivated and empowered to contribute their best work. Luke's experience, dedication, and genuine care for The Shirt Project make him exceptionally well-qualified to serve as President. I am confident that he will lead the committee with integrity, vision, and enthusiasm. Given his continued excellence and strong leadership potential, I wholeheartedly recommend Luke Gallagher and encourage the Senate to approve his nomination.

Respectfully Submitted,

Victor Lu Zhang
