Members of the Student Senate:

It is our great honor to present to you our nominee for At-Large membership on the Committee on the Constitution for the 2026–2027 term. According to Section VII(1) of the Senate Bylaws, "The Committee on the Constitution shall monitor the transition, internal review, and overall process of the Student Union as outlined in this Constitution and make appropriate recommendations to the full Student Senate." Following a vacancy on the committee, we have selected the following individual to serve as a member of the Committee on the Constitution for the remainder of the 2026–2027 academic year:

Daniel Rahn

Daniel represents a highly qualified individual who brings a strong work ethic grounded in precision, procedural discipline, and a deep respect for precedent. His background includes serving as a Student Council Member, Captain of his Mock Trial team, and an 8-time award winner at the Ohio High School Mock Trial statewide competition. Additionally, as a Volunteer Instructor for the American Legion Buckeye Boys State Program, he possesses direct experience training peers in parliamentary procedure and navigating case law and governing structures.

Beyond his technical preparation, Daniel demonstrates a thoughtful vision for student governance - one that seeks to balance an evolving university with the rich precedent established in the Undergraduate Constitution. Driven by Notre Dame's core mission of service and a desire to ensure every student receives proper representation and resources, he offers both the practical skills and dedication necessary for this role.

Most crucially, he has demonstrated a commitment to vigorous yet respectful debate and an earnest desire to strengthen the Student Union for the benefit of the student body. We have unwavering confidence in his ability to analyze, debate, and thoughtfully recommend constitutional amendments to the Student Senate. We present this nominee to you with resolute endorsement.

Respectfully,

Monica Sayler
President, Judicial Council

Kyle Lauckner
Student Union Parliamentarian, Judicial Council
